

TOP 50 FOR 2013: Residential construction revenue was weighted significantly when calculating each entrant's score. This year's group generated a total residential construction revenue (including renovation) of nearly \$418 million in 2012 and built 7,156 pools. Once again, the strength of the Texas economy becomes apparent, with 15 of the Top 50 hailing from the Lone Star State.

	COMPANY NAME	TOTAL RESIDENTIAL CONST. REVENUE	POOL EXCAVATIONS	TOTAL REVENUE
1	Cody Pools	\$26,493,488	482	\$27,299,248
