

7-1/4 IN. SIDEWINDER™ CIRCULAR SAW

# TRUE TO THE TRADE SINCE 1924™

The only tools in your arsenal that stay true with legendary performance and character.

## SPT 67 WM-22

**All Magnesium Housing Stays Strong**

**15 Amp Dual-Field™ Motor Stays Cool**

**Worm Drive Inspired Technology Stays True**

Made for trade professionals who take pride in their work, our new SKILSAW® SIDEWINDER™ circular saw model SPT67WM-22 is the only all magnesium circular saw on the market, including the motor housing. The rugged magnesium motor housing keeps the motor cooler to give you powerful performance for a lifetime. Legendary SKILSAW worm drive inspired technology has been integrated into this SIDEWINDER with our best-in-class Dual-Field™ motor invented specifically for saws, for pros, for you. Top it off with the 56° precision beveling capacity and you will be unstoppable. Did we mention a Freud Diablo blade is included? Yeah, it really is. The new SKILSAW SIDEWINDER all magnesium circular saw, SPT67WM-22. True to the Trade Since 1924.

## 7-1/4 IN. SIDEWINDER™ CIRCULAR SAW

### Legendary Build and Drive Train

World's first magnesium motor housing and resilient Dual-Field™ motor combine to make this the most legendary Sidewinder™.

### Powerful Performance

Solid construction coupled with best in class Dual-Field™ motor keeps it cutting a lifetime.

### Hard-Working Character

A balanced motor, 56° precision beveling capacity, and true grip means your hard work is unstoppable.

### The SKILSAW Dual-Field™ Motor

Our Dual-field™ motor was invented for saws, for pros, for legends, for you. Its unique dual copper windings keep you and your crew going strong all day. Its dual purpose is to power and cool the motor through the toughest cuts today and tomorrow. Others try to master this balance of power and cooling but fail. Our Dual-field motor is why our saws will always Stay True™.
